**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

No to price hikes. Competition is healthy for the economy and its the American way. Taking away choice/competition will only add to the existing abundant economical woes. Who's side is FCC on? Consumers or big business? Americans are watching this closely as it is very important to us.
